<b>BUDGET SUMMARY</b>
Total Project Budget: \$
Total Dollar Amount Requested: \$
Percentage of Requested Funds to Total Project Budget:
Funding From Other Sources (Please state the source and the amount): \$

1. Summarize the rationale of the project. In what way, if any, is the identified project compatible with your campus and/or District Improvement Plan and what critical need does it address? Why do you consider this project to be a solution to this need? (No more than 150 words) **(15 points)**

2. What are the major objectives of the project?(No more than 75 words) **(20 points)**

3. What is the implementation plan and projected timeline for the project?  
(No more than 100 words) **(10 points)**

4. Describe how students and staff will benefit from the project? How is this project innovative, creative or unique? Will this project continue once grant funds have been expended? If yes, what is the plan for sustainability? If not, why will the project be terminated? (No more than 175 words) **(30 points)**

Updated 1/3/2022

5. How will you specifically evaluate whether your objectives have been achieved?  
(A written project evaluation is **REQUIRED** at the completion of the project.)  
(No more than 50 words) **(20 points)**

6 Detail the budget for requested project funds in order of priority. Applications with incomplete budget detail will be disqualified. Include specific information, such as what materials and equipment will be needed, sources of supply, cost (including transportation, training, shipping/handling, etc.) List separately any additional materials that may be required to implement this project. **(5 points)**

***NOTE:** If this project is approved, receipts of all expenditures and proof of payment must be attached to a written final evaluation and submitted to the foundation upon completion of the project. Actual quotes obtained do not need to be attached.*

Quantity	Item	Cost Of Item	Supplier	Budget Amount
