

Innovative Classroom Grant Application Guidelines

Purpose:

Innovative Classroom Grants are designed to inspire, facilitate, recognize and reward creative teaching initiatives that enhance student achievement. The McGregor ISD Education Foundation is offering teachers the opportunity to apply for grants to support innovative programs and projects that encourage higher levels of student learning. The grants must enhance student academic performance.

Persons Eligible to Apply for Grants:

Individuals or teams of individuals employed by McGregor Independent School District who are involved in the instruction of students or related support services benefiting students are eligible to apply.

Eligible proposals:

- Instructional approaches or projects must be designed to begin in the **2022-2023 school year** and must meet the selection criteria
- Grants fund eligible instructional and classroom equipment or activities that support higher levels of student academic achievement
- Classroom materials, equipment or any activity or material that supports higher levels of learning
- Projects are not required to include technology

Award of Funds:

- Grants up to \$1,000 will be awarded to individual teacher-initiated programs or projects
- Grants up to \$5,000 will be awarded to campus teams, departments and district-initiated programs or projects. The number of awards will depend on funds available from the McGregor ISD Education Foundation.

Application Deadline:

Proposals must be received by the McGregor ISD Education Foundation by **4:00 p.m. on Thursday, February 17th, 2022**. Late applications ***will not*** be accepted.

Selection Criteria:

- The degree to which student academic performance is emphasized
- The degree to which sound evaluation procedures are incorporated in the proposal
- The degree to which the proposal represents a creative or innovative approach to the accomplishment of objectives
- The degree to which the proposal is clear and logical, including specific objectives and evaluation procedures.
